

News Release

November 25, 2021, Burlingame, CA

Zenrin USA, Inc. merges with Abalta Technologies Inc. to join forces to promote WebLink™

On November 25, 2021, the Boards of Directors of Zenrin USA, Inc. (“Zenrin USA”) and Abalta Technologies, Inc., (“Abalta”), each resolved on the merger of the two corporation. Pursuant to the Agreement of Merger signed on the same date, Zenrin USA will be merging with and into Abalta effective as of January 1, 2022. This merger will not impact the existing agreement with both parties’ clients and business partners.

Both of Zenrin USA and Abalta are wholly owned subsidiaries of Zenrin Co., Ltd., and this merger is to combine their respective businesses to simplify the group structure and increase business efficiency.

We appreciate your continuous support for us, and if you have any questions or concern regarding the merger, please email info@zenrin.com.

About Abalta Technologies

Abalta Technologies creates and delivers world-class software products, solutions and services for the global connected mobility market. Working with mobility companies, suppliers and content developers, we enable our partners to offer vehicle owners access to their favorite apps and services in an elegant, easy-to-use and customizable environment. Mobility manufacturers, suppliers, and customers can learn more about Abalta products and services by visiting www.abaltatech.com.

About Zenrin USA

In April 2000, Zenrin’s U.S. branch was incorporated under ZENRIN USA, INC. We provide software and expertise to automobile and navigation system hardware manufacturers. Zenrin is also continuing to explore collaborative efforts with other electronics and auto manufacturers. Zenrin field surveys throughout North America, Central and South America to integrate the most current information into navigation software. Businesses, organizations, and travelers nationwide utilize this data in a variety of applications and settings.
